CERAMIC ROTATING CURLER 1"

CHI Spin N Curl 1" Ceramic Rotating Curler Create flawless curls and waves at the push of a button with the CHI Spin N Curl. Hair is drawn into the curl chamber where it is heated and timed to create perfect curls and waves every time! The digital temperature display offers easily adjustable temperature settings and a selection of preset temperature settings for each hair texture, creating a customizable styling experience while avoiding unnecessary heat damage. Ceramic heat technology produces far infrared heat while the conditioning benefits of negative ions results in shinier, healthier and more beautiful hair. Curling hair has never been so effortless with the CHI Spin N Curl!
